The 2009 Recovery Act: A Small Business Roundtable

**APRIL 16, 2009 , 9:00 — 10:00 a.m.
Darden School of Business, University of Virginia
Saunders Hall, Classroom #50, Charlottesville, VA**

Please join Senator Warner, SBA District Director Ron Bew, small business owners, lenders and other community representatives in a roundtable discussion on the state of small business in central Virginia.

The American Recovery and Reinvestment Act, aka The Recovery Act, will have a significant impact on small businesses and on the credit crunch. It provides tax incentives and financing opportunities that will help small business create jobs.

The Recovery Act makes SBA part of the solution, providing it with specific tools to make it easier and less expensive for small businesses to get loans, give lenders new incentives to make more small business loans, and help unfreeze the secondary markets to boost liquidity in the credit markets.

THE 2009 RECOVERY ACT WILL:

- Make it easier and less expensive for small businesses to get loans.
- Give risk-weary lenders new incentives to make more loans.
- Unlock credit markets and begin economic recovery for the small business sector.
